"Time to create your own history..."

YOUR DAY, YOUR WAY...

Congratulations on your engagement. We are delighted that you are considering Newcastle House as your wedding venue, and do hope we can make your day a truly special one.

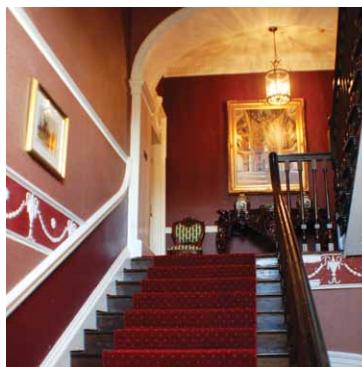

Located in the heart of Ireland, Newcastle House is a 300-year old manor house that lies on the outskirts of Ballymahon, in Co. Longford, on the banks of the River Inny. Nestled amongst 900 acres of forest, the house stands on 50 acres of mature parkland. Steeped in history and rich in heritage, Newcastle House was formerly the residence of the King-Harman Family, and was once the largest in the region, encompassing over 30,000 acres.

Today, it stands independently owned, and lovingly restored to its former glory, with 16 bedrooms and beautiful grounds that offers a beautiful setting for any wedding, and your all important wedding photographs. So whether you are planning an informal or exclusive party, or a more traditional wedding celebration, we can offer the perfect package for you.
